

SNAPSHOTS OF THE APPLICATION

The following are the important snapshots taken from the application.

1. The homepage of the application displayed to users.

The screenshot shows the homepage of the Hotel Booking application. At the top, there is a navigation bar with links for HOME, LOGIN, REGISTER, and CONTACTS, and a red button with a phone icon and the number 128683134. Below the navigation bar is a large image of a hotel lobby with ornate decorations and a television screen. The main content area features a search form with fields for 'Search hotels', 'Atlanta' (in the location field), dates '2017-12-26' and '2017-12-28', and a room count of '1'. A blue 'Find Hotel' button is positioned next to the room count field. At the bottom is a dark footer bar containing the Hotel Booking logo, quick links for Contact Us, About Us, and Complaints, and a 'We Are Global' section with a world map.

2. The homepage with search bar where the user is searching for the hotel (auto-predictive too)

This screenshot shows the same Hotel Booking application homepage, but with a different search query. In the search bar, the letter 'n' has been typed, and a dropdown menu displays suggestions: 'New Castle', 'New York', and 'Newline Continental'. The rest of the page layout is identical to the first screenshot, including the navigation bar, the hotel lobby image, the search form with the 'Find Hotel' button, and the dark footer bar.

3. The list of hotels displayed once the search is done.

19. Admin can even delete a hotel. If the admin selects a particular hotel it will be deleted from the hotel list displayed.

The screenshot shows the Hotel Booking application's interface. On the left, a sidebar menu lists various administrative functions: Update Hotel, Add Hotel, Delete Hotel, Delete Accounts, Staff Management, Manage Promo, Analytics, and Trending. The main content area is titled "Hotel List". A pink banner at the top of the list area says "Hotel deleted successfully". Below this, two hotel entries are shown in cards:

- CONGRESS PLAZA**: Located in the Chicago Loop, Congress Plaza Hotel is 600 metres from the Chicago Board of Trade Building and Willis Tower. The hotel features 23 meeting and event spaces for all group sizes and complimentary WiFi throughout the property.
Price: 718.0 Rating: 4.0
- HYATT REGENCY MCCORMICK PLACE**: Chicago McCormick Place Hotel on the Waterfront
Price: 400.0 Rating: 4.4

20. Admin also has the feature to add users (customers, staff, admins). Along at the end the entire user list is displayed where the admin can delete or update a particular user details.

The screenshot shows the User List page. The sidebar menu includes: Update Hotel, Add Hotel, Delete Hotel, Delete Accounts, **Staff Management**, Manage Promo, Analytics, and Trending. The main area is titled "User List" and contains a sub-section "Add User" with fields for Email, Password, and Mobile. Below this is a "Role:" section with radio buttons for Admin, Staff, and Customer, with Admin selected. A large blue "Add Member" button is centered below the form. At the bottom, a table displays a list of users:

Email	Role	Mobile	Action
admin@admin.com	Admin	979788	Delete Update
govindmaheshwari94@gmail.com	Customer	612-203-4100	Delete Update
salcha@gmail.com	Staff	312456523434	Delete Update
rohanj.0606@gmail.com	Customer	65576576576	Delete Update

21. This is how a admin can add new member to give access to the application.

The screenshot shows the 'User List' page. On the left, there is a sidebar with various administrative options: Update Hotel, Add Hotel, Delete Hotel, Delete Accounts, Staff Management, Manage Promo, Analytics, and Trending. The main area displays a form titled 'Add User' with fields for Email (demo), Password (demo), Mobile (123456789), and Role (radio buttons for Admin, Staff, Customer). A blue 'Add Member' button is at the bottom.

22. Admin can add promotional codes from time to time for the application. Add the image to be displayed as promotional code reference for customers and add the value of discount and save changes.

The screenshot shows the 'Manage Promo' page. It features two promotional images: one for '\$10 off' and another for '\$50 off'. Below each image is a 'Delete Image' button. Further down, there is a 'Promo Image' section with a 'Choose File' input containing 'PROMO.jpg', a 'Promo Code' input with 'PROMO3', a 'Discount Amount' input with '30', and a blue 'Add Promo' button.

23. Once the promo code is added it will be shown on the same page.
